

# *Massachusetts Horse Junior Horsemanship Award Request Form*

Massachusetts Horse Junior Horsemanship Awards are free for all horse shows and events in Massachusetts. The award includes a large, ribbon, a free one-year subscription to *Massachusetts Horse*, a cute stuffed horse toy, horse care products, and more.

The award is to be given to the **Massachusetts** junior exhibitor who has shown the best horsemanship and sportsmanship at your event. This is the junior who is **not winning**, but who is working hard with a great attitude. Usually the event chooses the gate keepers or other show committee members to choose the junior for the award as they see so much in their position.

Simply fill out this form and mail or fax it back to us and we will make sure you have your award in time for your event.
